

Linscott Parent Donation Drive 2009

Due to state budget cuts, Linscott's funding is projected to be reduced by as much as \$100,000.00 for the 2009/2010 school year. At the recent budget meeting, the consensus was that our academic enrichment programs are too valuable to our children to cut. This is our attempt to keep these programs "intact" as our school deals with these tough budget losses. Not only are these programs important to our children, they also help support our teachers.

If a donation, through family and friends could be made for each child at Linscott for \$400, this \$100,000 shortfall could be wiped out!

In order to make a difference in the 2009/2010 budget **we need the money donated by May 4th**,

You may be asking yourself: how in the world do I come up with that amount of money per child, especially if you have more than one child in the school? Well here are some ideas and options:

- No amount is too small or too big! **ANY** amount **WILL** make a difference.
- Ask family and friends to donate. It's for the best cause, your kids!

We have to pull together right now. We're a big family that's in a tough situation. Let's work together and try our best!

Best wishes to all of you in our Linscott community. If you have any questions, you may contact Amanda Meyers for donation drive information at a.meyers@charter.net
